My takeaways after leaving Barcelona and working for 4 years in London and New York

Eleccions a Catalunya 2012

El proper 25 de novembre els ciutadans de Catalunya estem cridats a votar per decidir el futur del nostre país. En aquesta web s'explica, després de respondre a una sèrie de preguntes, quins són els procediments que has de seguir per poder exercir el teu dret a vot, tant si vius a l'estrange com si el dia de les eleccions has de ser fora del teu municipi.

Aquest és un servei orientatiu desenvolupat per un grup de catalans que ens trobem a l'estrange i que any rere any, davant la complexitat dels procediments electorals, lluitem per exercir el nostre dret a vot, sovint no exempt de greus incidències. T'agrairem que si trobes algun error o imprecisió en la informació que mostrem ens ho fas saber a votapuntcat@gmail.com.

Per a consultes específiques i informació més detallada, si us plau, contacta directament amb els [organismes oficials](#).

Thanks for checking out the first features of the Google+ project. We're just getting warmed up and we're already pretty excited about what's coming next. For now, we're launching with what we call a field trial period, an invitation-only approach to help smooth out the rough edges as we start the project. Please bear with us if you're not able to start using Google+ today.
